

**REMARKS**

Applicants herein amend claim 9 to correct an informality in dependency. Specifically, claim 9 recited "The method of claim 6..." instead of "The product of claim 6..." The amendment corrects this informality. Additionally, the listing of claims reflects the canceling of claims 1-5, 7-8, 10, and 14 made by Examiner's amendment on November 18, 2005.

Dated: 1/6/06
